Personal Profile

I am an ambitious and passionate individual with experience in customer support. Soon to graduate, I am seeking to build on my studies and get into the Web development industry.

Work Experience

IT Technician

August 2011 - September 2011

Following on from my year of volunteer work I was employed for the summer to help get the IT systems for the school ready for the next term. Some of my tasks included:

Repairing Student PCs

Aiding staff with PCs

Setting up new PCs on the network

Helping with general activities on the network

Key Skills

Basic knowledge of C#

Web Development

IT support

Teamworking

Education

De Montfort University

Computing BSc (Hons)

South Leicester College

BTEC Level(s) 1 - 5

At South Leicester College I completed multiple courses these included levels 2 to 3, HNC and HND.
